BACK AND LOUDER THAN EVER!

Come hear Scrantoncity ROCK like NEVER BEFORE!!! (We fixed the amp -- thanks to Dave's uncle from Endeavor Audio and Lighting!! We owe you, man) Show starts at 6. Standing room only! There are seats but we can't use them. We'll be taking requests, except not Desert Rose. We will NOT play Desert Rose - I don't want to have to say it again. Our bassist will be selling cassettes. Bring a blank cassette and we'll make a copy for you for 8 dollars. Please wear your nicest clothes. Please eat before you come. There will be food, but we can't eat it. You're going to want to go around to the back of the church and find the "employees only" door and cross through the kitchen. If anyone asks, say you're related to Phyllis Lapin or Bob Vance. And, if you see a lady in white, give her a shout out -- it's her wedding day! GET READY TO ROCK IT OUT!!!! YEAH!!!!
